PCN - Product Change Notification n°: 123382
(n° de l'avis d'évolution / change notification n°)

Date: 13/11/2018

Madame, Monsieur,

Nous vous faisons parvenir cette PCN – **Product Change Notification** pour vous informer de **l'ARRET DE LA PRODUCTION DES CONNECTEURS** figurant sur la liste ci-jointe.

Vous êtes potentiellement concernés au vue de l'historique de nos ventes sur 5 ans.

Nous vous invitons à évaluer vos besoins pour les années à venir et à placer vos dernières commandes pour constitution de stocks dès que possible :

- Date limite pour passer vos commandes: **31 Mars 2019**
- Date limite pour les dernières livraisons: **31 Décembre 2019**

Après ces dates, aucune commande ne sera enregistrée et aucune fabrication ne sera possible.

Par souci de confidentialité, nous communiquons seulement les désignations commerciales Amphenol Socapex. Nous vous laissons le soin de vérifier la correspondance de ces désignations avec vos références internes. Il n'y a pas de produit de substitution identique.

Les PCN sur produits standards sont disponibles sur notre site internet dans la rubrique « Support & Services – Product Change Notification » : <http://www.amphenol-socapex.com/>.

Pour tous distributeurs concernés, merci de transmettre la PCN à vos propres clients.

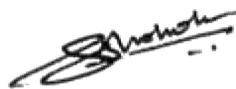

Pour toutes questions techniques, contacter notre support technique via l'email : technicalsupport@amphenol-socapex.fr

Pour toutes autres questions, vous pouvez contacter votre interlocuteur commercial habituel.

Pour vous assister dans le traitement de cette obsolescence, nous vous fournissons le catalogue mis à jour de la gamme concernée, avec tous les produits maintenus.

Nom de l'auteur de la PCN : Sameer Kohok / Liliane Marquet

Visa de l'auteur de la PCN :

948, Promenade de l'Arve – B.P. 29
74311 Thyez Cedex - France

www.amphenol-socapex.com

PCN - Product Change Notification n°: 123382
(n° de l'avis d'évolution / change notification n°)

Date: 13/11/2018

Ms. / Sir.

We are sending you this PCN - Product Change Notification to inform you that **WE WILL STOP THE PRODUCTION FOR PARTS WHICH ARE ON ATTACHED LIST.**

You are potentially affected by our 5-year sales history.

We invite you to evaluate your requirements for coming years and to place the corresponding Last Buy Orders as soon as possible.

- Deadline to place your orders: **March the 31st 2019**
- Deadline for last shipments: **December the 31st 2019**

After these dates, it will be no longer possible to place orders and be delivered.

For confidentiality, we only communicate Amphenol commercial designations. Thank you in advance to check yourself the correspondence of these designations with your internal references.

The PCN on standard products are available on our website in the folder

« Support & Services – Product Change Notification » : <http://www.amphenol-socapex.com/>

For all distributors, thank you to forward this PCN to your own customers.

For all technical questions, please to contact our technical support by email : technicalsupport@amphenol-socapex.fr.

For all others questions, you can contact your usual commercial contact.

To assist you in treatment if this obsolescence, we provide you the updated catalog of the SL range , with all maintained products.

PCN - Product Change Notification n°: 123382
(n° de l'avis d'évolution / change notification n°)

Date: 13/11/2018

Détails des modifications / Modifications details

Sujet:

Arrêt de production partiel de la gamme SL

Nature des modifications

Dans un souci d'excellence opérationnelle et industrielle sur la gamme SL, nous avons décidé l'arrêt partiel de notre gamme, majoritairement sur les versions industrielles.

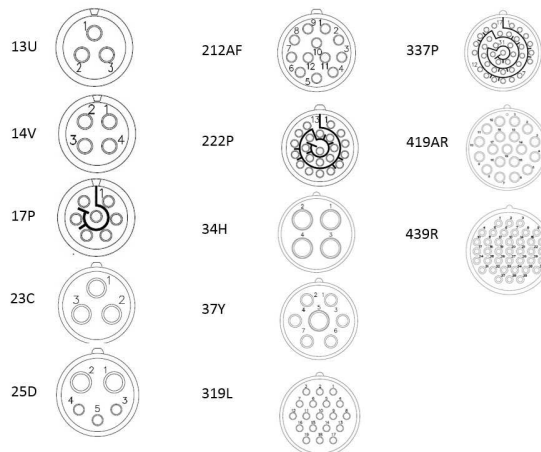

En résumé:

Sont rendus obsolètes :

- Les versions à sertir (SLX)
- Les versions avec arrangements spécifiques type SLS et versions renforcées SLR
- Les versions avec mises à la masse (SLG) **excepté** la version SLG419AR (SOCA)
- Certains arrangements de la famille SL61 : 22B, 23AL, 25S, 27E, 29AE, 32F, 33G, 315K, 39J, 443AP, 461P, 48M, 426P
- Accessoires : bouchons taille 10 & taille 20 pour embase avec écrou de verrouillage : BFF1B, BFM1B, BFF2B, BFM2B

Restent actifs :

- L'arrangement SLG 419AR
- Les versions à souder sur câble SL61, pour les arrangements suivants:

- Les autres accessoires figurant au catalogue

Veillez-vous référer à la liste exhaustive des produits concernés pages 6 à 24.

PCN - Product Change Notification n°: 123382
(n° de l'avis d'évolution / change notification n°)

Date: 13/11/2018

Subject :

Partial product end of life of SL series.

Nature of modifications

In a worry to guarantee operational and industrial "excellence" on SL product range, we decide to partially stop our range, mainly on Industrial versions

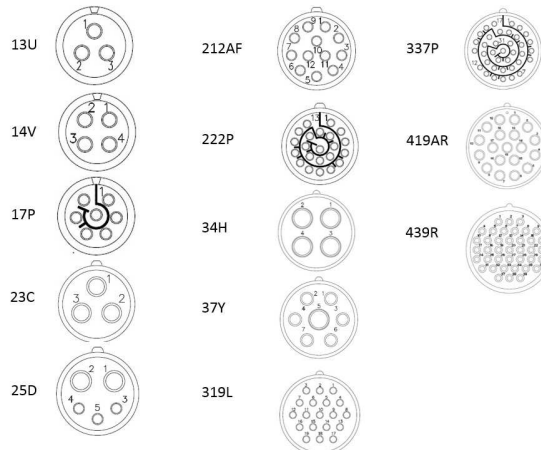

As sum up:

To be obsolete:

- Crimping versions (SLX)
- Specific arrangements (SLS) and reinforced versions (SLR)
- Grounding versions (SLG) **EXCEPT** SLG419AR arrangement (SOCA)
- Some of SL61 arrangements: 22B, 23AL, 25S, 27E, 29AE, 32F, 33G, 315K, 39J, 443AP, 461P, 48M, 426P
- Accessories: cap for locking ring receptacle, in size 10 & 20: BFF1B, BFM1B, BFF2B, BFM2B

Remain available & active:

- SLG 419 AR arrangement
- Solder cup SL61, for here listed arrangements:

- Other accessories included in the NEW catalog

Please refer to the exact part number list for concerned products pages 6 to 24.
